

In this time of chaos and uncertainty there are so many reasons to not say yes. Even the small yeses in our daily lives feel riskier somehow. Decisions about where we put our money, our time, our energy, our confidence, and our faith feel more important than ever during these volatile times. We come from a history of people who said yes. Throughout the story of the people of God, brave and faithful, everyday people said yes to God. In Advent, these yeses are even more significant.

Join us this Advent and Christmas as we look at what does it take to get to yes? Why does it matter? Why does it matter that we believe this? The Nativity is a story that we tell, that isn't just on a page or in ancient tales, but one that lives in our bones, and calls to us to say our own yes when we are called into what God is doing now.

Advent Band, December 7th

Currently play and instrument? Played one many years ago and want to dust it off and see if you still have it? Then join us as we celebrate the Advent and Christmas season with a Sunday filled with instrumental music. All abilities welcome to join us as we hope to celebrate the coming of our savior.
