July Mission of the Month DIGNITY FOR DAUGHTERS

Dignity for Daughters (DfD) mission is to achieve menstrual equality in Iringa, Tanzania. Sustainability will be accomplished through reproductive health education and ensuring reusable menstrual product availability by establishing local sewing ventures. Only 1 in 5 girls in Iringa have access to formal menstrual health products, causing up to 5 missed days of school every month. We are dedicated to providing girls and boys with a curriculum that is otherwise absent in secondary education in Iringa. Students are also equipped with

reusable pads to help them manage their health with dignity and not miss valuable days of school. We aim to empower young people with the knowledge and resources they need to break the cycle of poverty and build a healthier, brighter future.

Grounded in Connection

Relationships are the cornerstone of who we are as people of faith. Our relationships with others are how we learn and grow, and are the primary way we give and receive love and grace. Through a series of well-known Bible stories, we'll explore the joys and challenges of human relationship, community, and living with one another. In the midst of complex human relationships, we will be reminded yet again that God is here, showing us the way of connection, mercy, and grace.

Family of Christ Photo Directory

Did you miss getting your photo taken last fall? Did you choose not to? Well, here's your chance to make up for that! You have 2 options, 1) Watch for upcoming photo dates and stop by after worship to get your photo taken or 2) Submit your OWN! We would like a Family Photo & Individuals of each person. With this, we hope to capture everyone so we can share your face with the congregation and we can get to know each other a little better! Submissions can be sent to Brita@familyofchrist.com.
