July Mission of the Month DIGNITY FOR DAUGHTERS

Dignity for Daughters (DfD) mission is to achieve menstrual equality in Iringa, Tanzania. Sustainability will be accomplished through reproductive health education and ensuring reusable menstrual product availability by establishing local sewing ventures. Only 1 in 5 girls in Iringa have access to formal menstrual health products, causing up to 5 missed days of school every month. We are dedicated to providing girls and boys with a curriculum that is otherwise absent in secondary education in Iringa. Students are

also equipped with reusable pads to help them manage their health with dignity and not miss valuable days of school. We aim to empower young people with the knowledge and resources they need to break the cycle of poverty and build a healthier, brighter future.

Core Faith

The eighth chapter of the letter to the Romans is one of the most loved chapters in the Bible. As the crux of this important letter, this chapter provides insight into some of the core elements of our faith. How does the law function in our faith? What does it mean to set our mind on the Spirit? What is our relationship with all creation? How are we bound together with other disciples in suffering and joy? St. Paul sets out to answer these and many other questions as he weaves a poetic vision of what it means to be a follower of Jesus and a part of the body of Christ.
